We value and encourage freedom in our corporate worship and invite you to join us in expressing your praise to Jesus. We have some open space in the front of our sanctuary to make room for flagging and dancing. We ask that if children wish to come to the front that at least one parent joins them to observe from the front row so that we can facilitate an honouring environment for all. The raised stage open area is for worship ministers who have a dance or flagging expression to release. We would invite the children to stay on the lower level open area for their dancing and flagging.
